BENEFITS

Delighting your customer

We provide delivery, collection and exchanges for your large, fragile products, delivering over the threshold and into the room of choice in your customers' homes.

Greater customer convenience

You can select our next day, 2-day, 3-day or customer nominated day service, Monday to Saturday.

We keep your customer up to date with their delivery via their preferred contact method, whether that is web chat, SMS, social media, email or phone.

Improved customer satisfaction

Specialist 2-man product handling throughout our network ensures that your product arrives with your customer in excellent condition.

Brand enhancement

Enhance the reputation of your brand by providing your customer with an exceptional delivery service that goes beyond parcel delivery.

Bridging the gap between a parcel and a standard 2-man home delivery.
